

# We want to hear from you!

Join our focus group to share your opinion with other teens & young adults living with T1D.

Are you aged between 14 and 24 and living with type 1 diabetes? Join us for a discussion about your experiences and expectations on transitioning to adult diabetes support services. We want to hear your honest opinion – the good and the bad!

All participants will receive a \$50 gift card for their time.

**Focus groups will be held in March in:**

- Sydney
- Melbourne
- Wollongong
- Bendigo
